Gentlemen:

I have your favor of 16th inst. with enclosures per reg. mail. The 1800 Eagle does not quite meet my expectation from your description given as being very fine. In this case I am not particular as to date any of the common dates same type will answer. So, before making remittance I would be obliged to you if you have a better specimen of other common dates same type to forward same for my examination. Yours truly,

Gentlemen:

I am just in receipt of your favor of 11th inst by Reg. mail with enclosures, & in reply will say the 25¢ note Solid disk has been folded twice and the bronze or gilt frame is very much worn this with the small piece from end (although scarce) does not make it desirable even at $5. I would much rather pay $10. for a perfect one. The 15¢ note G. & S. has been folded twice both crosswise and lengthwise. If you care to let them go at $1.00 each I will retain them; otherwise I will return same promptly. The extra 25¢ note sent for mending, as suggested, I will return to you as I do not care to mend the note if I keep it.

Yours truly
